

Leadership Portfolio

Everything an executive-search partner or a board would want in one place: the capability map, the experience spine, the sectors, the credentials — and the numbers with their provenance attached.

 **Two-minute brief**

01

Gold & Precious Metals

AI & EdTech

Digital Philanthropy & Crowdfunding

Social & Content Platforms

Parenting & Family Platforms

Economic Development & FDI Promotion

LegalTech

Media & Creative Industries

04

CREDENTIALS

Education and certification

Full ledger >

Programmes are not employers. Founder Institute, SpartUp at San José State University, Product School and the McKinsey “Take a Step Forward” programme are courses and accelerators I took part in. They are not roles, not affiliations, and they give me no US work history.

05

THE RECORD

Where the numbers are

The figures that carry a source — with what each one counts, and where it came from — are on the Experience page, next to the role that produced them.

[See the sourced figures](#) >

 NEXT STEP

The dossier is complete. The conversation is not.

Executive search, board introductions and direct enquiries all reach me the same way.

 **Get in touch**

 **Book a 30-minute call**  (<https://calendly.com/bjafaribox/30min>)

I reply to every serious enquiry within 2 business days.
